

Let OSPE help you pass the FE Civil exam!

The Ohio Society of Professional Engineers (OSPE) is bringing to you a review course to help you prepare with the Online Civil FE Exam Prep Course.

At-a-Glance

- 90 days of self-guided, unlimited online materials access
- You pick the dates - Sign up when it's convenient for you
- Unlimited access to include 16 recorded webinars totaling over 23 hours covering FE exam topics
- Download and print slides that accompany each webinar
- Submit your questions online - Subject matter experts will get back to you
- Purchase additional PPI course materials at a 15% discount

Cost

\$750 - OSPE dues-paying members; \$950 - Non-members.
Includes all required materials.

Webinar Topics

Sixteen webinars covering the topics below. Each webinar covers one of the knowledge areas of the FE computer-based test as outlined by NCEES:

Mathematics (1 hour 45 min.)
Probability and Statistics (48 min.)
Computational Tools (30 min.)
Ethics and Professional Practice (49 min.)
Engineering Economics (1 hour 31 min.)
Statics (2 hours 6 min.)
Dynamics (1 hour 53 min.)
Mechanics of Materials (1 hour 22 min.)

Materials (1 hour 11 min.)
Fluid Mechanics (1 hour 26 min.)
Hydraulics & Hydrologic Systems (1 hour 37 min.)
Structural Design & Analysis (51 min.)
Geotechnical Engineering (2 hours)
Transportation Engineering & Surveying (2 hours 47 min.)
Environmental Engineering (1 hour 20 min.)
Construction (1 hour 5 min.)

What's Included

- 90 days of continuous online access to knowledge area webinar recordings
- Course handouts accompanying each webinar recording; download and print handouts for note taking and studying
- Access to subject matter experts who can answer your questions
- All required course materials (see below), included at a 15% discount
- All students will create a free account on FEprep.com, an online FE review system for the computer-based FE exams created by Professional Publications, Inc. (PPI). Your free account will provide you access to a number of valuable tools, including a free assessment to help you determine areas for improvement and an online study schedule.

Have a question? Ask a subject matter expert via our online contact form. Our five FE civil exam prep course subject matter experts are all licensed Professional Engineers (PEs). Together they have a combined 35+ years of teaching experience as exam prep course instructors.

Required Materials (all included with your registration fee)

- FE Civil Review Manual by Michael R. Lindeburg, PE (print copy OR 90 day web book access on feprep.com)
- FE Civil Practice Problems by Michael R. Lindeburg, PE (print copy OR 90 day web book access on feprep.com)
- FE Civil Practice Exam - Two attempts on feprep.com
- FE Civil Assessment 1 - FREE on feprep.com
(If you already own some or all of the materials above, you can register without purchasing materials. Proof of ownership required.)
- Also required is the NCEES FE Reference Handbook, available via free download from NCEES.

Recommended Materials (not required; available at a 15% discount)

- FE Civil Quiz Bank (90 day access)
- FE Civil Flash Cards (90 day access)
- FE Civil Assessment 2

Call OSPE (1-800-654-9481 or 614-223-1144) for immediate registration processing.

FE Exam Prep Course Policies

- Payment must be made in full and received by MnSPE before the link to webinar recordings, course handouts and other information will be forwarded to the student.
- Required course materials will be delivered to students directly from Professional Publications, Inc. (PPI), including activation of timed feprep.com products and shipment of hard copy (non-online) products. Shipments will be delivered via the method specified during course registration. PPI will provide online customer service support for online products. Learn more about PPI customer support.
- All materials are shipped as promptly as possible. Expedited shipping options may be available for an additional fee.
- While we anticipate courses to be offered as presented, MnSPE reserves the right to make changes to any course at any time.
