Optional NEW MEMBER SURVEY

As a new member, this is your opportunity to shape your professional engineering society!

- 1. Did you know that OSPE secured passage of the law that restricts the use of the title "engineer"?
2. Should OSPE continue fighting the unlawful practice of engineering as a top priority?
3. Do you need to network with other PE's?
4. What CPD seminar topics would you like to see us sponsor?
5. What days of the week do you prefer to take CPD seminars?
6. What are your favorite hobbies?
7. Do you have expertise for seminars? If so, what topics?
8. What can OSPE do to help you prosper as an engineering professional?
