**Membership & Tax Deduction** -- OSPE associate membership dues include membership in OSPE and your local chapter, and the \$25 annual subscription to OhioEngineer magazine. NSPE new member rates cover national, state and chapter dues for your first year only. These rates, as well as NSPE renewal rates, may vary depending on your state and chapter participation. Membership rates and requirements are subject to change. OSPE and NSPE dues, fees, gifts or contributions are not deductible as charitable contributions for federal income tax purposes but may be deductible as ordinary and necessary business expenses. Pursuant to the Internal Revenue Code, OSPE and NSPE estimate that 23% of Ohio dues and 14% of NSPE dues are not deductible because OSPE & NSPE engage in lobbying activities on behalf of their members. Please consult your tax advisor for details. Membership is pending approval according to OSPE Bylaws.

By signing this application for membership, I attest that the information I have provided is complete and correct to the best of my knowledge. I further agree, if accepted for membership, to comply with the NSPE Code of Ethics and Ohio Revised Code Code of Ethics.
