

# Let OSPE help you pass the FE in Other Disciplines!

The Ohio Society of Professional Engineers (OSPE) is bringing to you a review course to help you prepare with the Online Other Disciplines FE Exam Prep Course:

## At-a-Glance

- 90 days of self-guided, unlimited online materials access
- You pick the dates - Sign up when it's convenient for you
- Unlimited access to 14 recorded webinars totaling over 20 hours covering FE exam topics
- Download and print slides that accompany each webinar
- Submit your questions online - Subject matter experts will get back to you
- Purchase additional PPI course materials at a 15% discount

## Cost

\$750 - OSPE dues-paying members; \$950 - Non-members.  
Includes all required materials.

## Webinar Topics

Fourteen webinars covering the topics below. Each webinar covers one of the knowledge areas of the FE computer-based test as outlined by NCEES.

Mathematics (1 hour 45 min.)  
Probability and Statistics (48 min.)  
Ethics and Professional Practice (49 min.)  
Engineering Economics (1 hour 31 min.)  
Statics (2 hours 6 min.)  
Dynamics (1 hour 53 min.)  
Strength of Materials (1 hour 25 min.)

Chemistry (1 hour 7 min.)  
Safety, Health & Environment (52 min.)  
Materials Science (49 min.)  
Instrumentation & Data Acquisition (57 min.)  
Electricity, Power & Magnetism (1 hour 53 min.)  
Fluid Mechanics & Dynamics of Gases & Liquids (2 hours 2 min.)  
Heat, Mass & Energy Transfer (2 hours 42 min.)

## What's Included

- 90 days of continuous online access to knowledge area webinar recordings
- Course handouts accompanying each webinar recording; download and print handouts for note taking and studying
- Access to subject matter experts who can answer your questions
- All required course materials (see below), included at a 15% discount
- All students will create a free account on FEprep.com, an online FE review system for the computer-based FE exams created by Professional Publications, Inc. (PPI). Your free account will provide you access to a number of valuable tools, including a free assessment to help you determine areas for improvement.

***Have a question?** Ask a subject matter expert via our online contact form. Our five FE other disciplines/general FE exam prep course instructors have a combined 30+ years of teaching experience for exam prep courses.*

## Required Materials (all included with your registration fee)

- FE Other Disciplines Review Manual by Michael R. Lindeburg, PE (print copy OR 90 day web book access on feprep.com)
- FE Other Disciplines Practice Problems by Michael R. Lindeburg, PE (print copy OR 90 day web book access on feprep.com)
- FE Other Disciplines Practice Exam - Two attempts on feprep.com

- FE Other Disciplines Quiz Bank (90 day access)
- FE Other Disciplines Flash Cards (90 day access)
- FE Other Disciplines Assessment 2

## REGISTER

**Call OSPE (1-800-654-9481 or 614-223-1144) for immediate registration processing.**

## FE Exam Prep Course Policies

- Payment must be made in full and received by MnSPE before the link to webinar recordings, course handouts and other information will be forwarded to the student.
- Required course materials will be delivered to students directly from Professional Publications, Inc. (PPI), including activation of timed feprep.com products and shipment of hard copy (non-online) products. Shipments will be delivered via the method specified during course registration. PPI will provide online customer service support for online products. Learn more about PPI customer support.
- All materials are shipped as promptly as possible. Expedited shipping options may be available for an additional fee.
- While we anticipate courses to be offered as presented, MnSPE reserves the right to make changes to any course at any time.
